CE Conformity Declaration

Manufacturer in EU.

The present declaration is intended to certify that the product hereunder described was designed and is manufactured in conformity to:

2006/95/CE Directive for Low Voltage Equipment (LVD – Low Voltage Directive)

and will be placed in the market.

Product: **Push wire connectors (Rigid Conductors)**

Type / Reference: **273-102; 273-103; 273-104; 273-105**

Main characteristics:

IP: 20 ; Voltage: 450 V ; Amperage: 24A ; Self extinguishing: 850 °C

Type of material: Thermoplastic

Others:

Halogen free; Rigid conductors from 1mm² to 2.5 mm²
Certified product: "KEMA" and "VDE"

Applicable standard: EN 60 998-2-2:2004

Year of CE marking affixing: 1998

Date: 2009-02-22
