28.43-PLEXI

PH-4A.3 Cable Junction Enclosure 248 X 198 X 96 With Plexi Transparant Cover

|                              |                        |
|------------------------------|------------------------|
|                              | 28.43-PLEXI            |
| Equipped with                | None                   |
| Max. conductor cross section | 10 mm²                 |
| Shape                        | Rectangular            |
| Mounting method              | Wall-/ceiling mounting |
| Mounting in the soil         | No                     |
| Mounting under water         | No                     |
| For tube diameter            | Other                  |
| Number of inlets             | 12                     |
| Inlet from the rear          | No                     |
| Length                       | 248 mm                 |
| Width                        | 198 mm                 |
| Depth                        | 96 mm                  |
| Connectable                  | No                     |
| Type of housing feed-through | Trimable step membrane |
| Material                     | Plastic                |
| Halogen free                 | Yes                    |
| Surface protection           | Untreated              |
| Colour                       | Grey                   |
| Degree of protection (IP)    | IP65                   |
| Degree of protection (NEMA)  | 12                     |
| Cover model                  | Blind cover            |
| Transparent cover            | No                     |
| Castable                     | No                     |
| Cover attachment             | Screwed                |
| Casting compound included    | No                     |
| Sealable                     | Yes                    |
| Rated insulation voltage Ui  | 500 V                  |
