J100BF

Fire resistant junction box 102 x 102 x 567 x M25 Rubber Grommets

|                              |                         |
|------------------------------|-------------------------|
|                              | J100BF                  |
| Equipped with                | Other                   |
| Max. conductor cross section | 2.5 mm²                 |
| Shape                        | Square                  |
| Mounting method              | Wall-/ceiling mounting  |
| Mounting in the soil         | No                      |
| Mounting under water         | No                      |
| For tube diameter            | Other                   |
| Number of inlets             | 7                       |
| Inlet from the rear          | Yes                     |
| Length                       | 102 mm                  |
| Width                        | 116 mm                  |
| Depth                        | 60 mm                   |
| Connectable                  | No                      |
| Type of housing feed-through | Trimnable step membrane |
| Material                     | Plastic                 |
| Halogen free                 | Yes                     |
| Surface protection           | Untreated               |
| Colour                       | Orange                  |
| Degree of protection (IP)    | IP66                    |
| Degree of protection (NEMA)  | Other                   |
| Cover model                  | Other                   |
| Transparent cover            | No                      |
| Castable                     | No                      |
| Cover attachment             | Screwed                 |
| Casting compound included    | No                      |
