Cable tie YELLOW 6.6 140 x 3.5

SEL14210R

Cable tie YELLOW 6.6 140 x 3.5

|                                                       | SEL14210R         |
|-------------------------------------------------------|-------------------|
| Band width                                            | 3.5 mm            |
| Length belt/tape/tie                                  | 140 mm            |
| Tie thickness                                         | 2 mm              |
| Operating temperature                                 | -40 - 85 °C       |
| Model                                                 | Internal toothing |
| Band closure                                          | Plastic lip/-cam  |
| Material                                              | Plastic           |
| Material quality                                      | Polyamide (PA)    |
| Surface protection                                    | Untreated         |
| UV-stable according to ASTM D6779                     | Yes               |
| Halogen free                                          | Yes               |
| Colour                                                | Yellow            |
| Transparent                                           | No                |
| Fluorescent                                           | No                |
| Detectable                                            | No                |
| Releasable closure                                    | No                |
| VG approval                                           | Yes               |
| MIL approval                                          | Yes               |
| UL approval                                           | Yes               |
| Inflammability class of insulation material according | V2                |
